can oak, aged for
22 months

Alcohol: 14.5% by vol.

pH: 3.83

TA: 6.9 g/L

Case Production: 1158 750ml x 12
cases

Deep Garnet in color with aromas of black cherry and cassis. The mid palate is clean and mouth-filling, leading to a finish of mineral, lush-resolved tannins and integrated oak with a hint of candied blackberry. This wine should be showing well at about 7 - 9 years from the vintage date and continue to improve from there. The wine will benefit from a short time in a decanter.
